Sir:

**REQUEST FOR CERTIFICATE  
OF CORRECTION UNDER 37 C.F.R. §1.322**

Applicants submit herewith a request for correction of the above-identified patent under 37 C.F.R. §1.322 to correct errors introduced by the United States Patent and Trademark Office.

Applicants submitted an Amendment under 37 C.F.R. §1.312 on January 16, 2004, a copy of which is enclosed. This Amendment amended claims 27-29, 31, 33-35, 38 and 54-58 (now issued claims 2-4, 6, 8, 11, 12, 18, 13-15, 9 and 10, respectively). These amendments were entered by the Examiner, as evidenced by the Response to Rule 312 Communication mailed on April 13, 2004, a copy of which is enclosed. However, the amendments to issued claims 2-4, 6, 8, 11, 12, 18, 13-15, 9 and 10 are not reflected in the issued patent.

Further, issued claim 37 currently recites dependency to itself. Issued claim 37 represents application claim 68, which recited dependency from application claim 47. Application claim 47 resulted in issued claim 33. Accordingly, issued claim 37 should recite dependency from issued claim 33.

In view of the foregoing, it is respectfully requested that the corrections shown on the attached sheet be made to the patent.

It is requested that the undersigned be contacted by telephone call at (617) 646-8000 with any questions relating to this request. No fee is believed due. Please charge any fee or fee deficiency occasioned by this request to Deposit Account No. 23/2825. A duplicate of this sheet is enclosed.

Respectfully submitted,
